Dear Sir

Pardon delay in answering your of Jany 28 - We are more than busy with work & preparing to move into better quarters - The Black Guillemot was taken at North Pond Dec 17-96 and another about a week later I should think tho' I have no memo of the latter - Leach's Petrel was taken at Lake Quinsigamond Nov 13 96 Both are in very poor condition & completely exhausted so that they were caught

Are you interested in Animals at all I have an fine spec - Albino deer - inclose photo - for sale $150. possibly you know of someone interested - Should like to sell the case of Nov. birds I have complete

My dear Sir

Have recently bought a collection of birds and among them a pair of Heath Hen. Knowing you have a series of these would like your opinion as to identification of these also if they are good examples of the bird. Thanking you in advance for your trouble I am

(Re Barn Cave)

Do not think there has been any record made of the Barn Owl that was taken here - am not much of a hand to send notice of such

Sold it to Mr John E. Thayer Lancaster
